ACCEPTANCE OF ENTRIES

Registration:

Advance registration is required for all Artistic classes, including Inter Club. Please register online prior to Monday, June 4, 2007. Advance registration for horticulture is encouraged.

You do not need to be a member of a garden club to enter an exhibit except where noted.

Polly H. Crawford
Registration Chairman
(540) 955-4541

Individuals who register are responsible for either furnishing an arrangement or canceling prior to Monday, June 4, 2006.

Acceptance:

Entries will be accepted:

Tuesday, June 19, 2007 from 3:00 p.m. to 8:00 p.m.

and

Wednesday, June 20, from 8:00 a.m. to 9:45 a.m.

The floor will be cleared at 10:00 a.m. on Wednesday morning. **NO EXCEPTIONS.**

Please use containers that have a value of less than \$200. Your container can be returned for a fee of \$35.00 payable to The Winchester-Clarke Garden Club. Please register for container return prior to putting your arrangement in place. Entries not registered for return or removed by Thursday, June 21, at 5:00 p.m. will be discarded.

Workspace:

There will be workroom space for both artistic and horticulture at Millwood Station. **No** arranging will be permitted on the showroom floor.

A show of this proportion could not happen without a great deal of help. The Winchester-Clarke Garden Club would especially like to thank **Hilddrup Moving Company**. This company donated the service of transporting all the show's properties from Martinsville to Berryville. Their generous contribution to The Garden Club of Virginia's 65th and 66th Lily Shows not only helps make these shows possible, it supports the work of restoration, conservation and education in the Commonwealth carried out by the member clubs of The Garden Club of Virginia.

Rules for Horticulture Judges

1. Entries not made according to the schedule are automatically disqualified.
2. The North American Lily Society scale of points is used in evaluating specimens (**except for classes 45 and 46**)

| | |
|----------------------|----|
| Condition | 30 |
| Vigor | 20 |
| Placement of stem | 20 |
| Substance of flowers | 10 |
| Form of flowers | 10 |
| Color of flowers | 10 |

3. A Modified Light System will be used for judging seedlings:

| | |
|----------------------|----|
| Vigor | 20 |
| Placement of stem | 20 |
| Substance of flowers | 20 |
| Form of Flowers | 20 |
| Color of flowers | 20 |

A first place entry must score high in at least two attributes.

4. One blue, one red, one yellow, and white ribbons may be awarded in all classes where merited.
5. Best stem in Show is chosen from blue ribbon winners. Exception: A specimen in a multiple stem collection that did not place first is still eligible for consideration.
6. When selecting the major awards, all horticulture judges must be present. The vote will be by secret ballot. In the case of a tie, the entries under consideration will be point scored.
4. In judging collections, diversity of form and color as well as uniform quality and balance of collection as a whole are to be considered. Each stem must score 90 points or more for the collection to win a blue ribbon.
5. The decision of the judges is final and must not be changed unless all the judges of the questioned class are present.
6. The right is reserved by the judges to construe any rule or regulation where doubt arises. In the event of any misinterpretation among the judges, the classification Chairman has the final authority.
7. An alternative judge will be provided for judges who may have an entry in any class he or she is assigned to judge.

Rules for Horticulture Exhibitors

1. Exhibitors must register and fill out exhibit card.
2. All horticulture classes are open to any amateur grower of lilies except where otherwise indicated. (Classes 1-7, section A and Class 50 Section J)
3. An exhibitor is allowed only one entry per class in classes 1-7.
4. Exhibitors may have more than one entry in all other classes provided each entry is a different variety.
5. Each entry must be correctly named and placed in the proper class with a properly completed entry card attached by the exhibitor. The classification committee will assist the exhibitor, but the ultimate responsibility lies with the exhibitor.
6. Only one stem to a container except in the pot Classes 42 and 43.
7. Only true scale bulb lilies (of the genus liliium) may be entered.
8. All horticulture entries must have been grown by the exhibitor except in Class 3.
9. All entries must have been grown out of doors with the exception of Class 42.
10. To be eligible for judging, a lily stem must have one bloom open to the typical shape of that particular variety.
11. Entries with disease, obvious defects, and/or abnormalities such as fasciated stem will be set aside and not judged.
12. Classes may be added at the discretion of the Show Committee.
13. The Chairman of the Classification Committee reserves the right to reassign entries which have been made incorrectly.
14. Anthers and pollen may be removed only by the exhibitor or with the exhibitor's written permission, or in his presence, and then not until the final day of the show.
15. Containers will be supplied by the show committee.
16. Only one person may exhibit from any garden.
17. In case of disagreement as to the interpretation of these rules or in any matter not laid down in them, the decision of the Show Committee shall be final.
18. Ribbons received in Section I (single flower) do not count toward the Horticulture Sweepstakes.
19. Horticulture judges may exhibit in eligible classes.
20. **Exhibitors' name and address must appear in the two specified places on the entry cards.** Mailing labels are appreciated.

Rules for Artistic Design Exhibitors

Note: True lilies (genus Liliium) must predominate in all arrangements

1. The schedule is “The Law of the Show”.
2. One person must execute each entry, except in the Inter Club Class, which is entered in the name of the club.
3. An exhibitor may enter as many classes as desired, but is restricted to one entry in each class.
4. The Passing Committee must pass all arrangements before the exhibitor leaves the show floor. The Committee may disqualify arrangements that do not meet the schedule requirements.
5. All designs will be judged according to the *GCV Flower Shows Handbook, Revised*.
6. All designs must include some fresh plant material. True scale lilies must predominate in all arrangements.
7. All designs may include a base which is considered part of the container.
8. The use of commercially grown flowers is discouraged. If used, only seasonal flowers should be chosen. Purchased or garden grown Oriental Lilies may be used in arrangements. The removal of anthers is discouraged.
9. Treating fresh plant material by application of substances, such as paints, dyes, etc., is not permitted. Plants may be clipped, stripped, bent or other wise manipulated.
10. Plants on the Endangered Species list may be used only if grown in the exhibitor’s garden. This must be stated on the exhibitor’s 3x5 card.
11. All containers and accessories must be plainly marked with exhibitor’s name and address. Exhibitors must register for return shipping and accompanying fees must be paid if the container is **not** to be claimed at the end of the show. Containers or accessories with a value of over \$200 should not be used.
12. A 3x5 card listing all plant material, followed by “G” for garden grown and “F” for florist, must accompany each design.
13. Artificial flowers, foliage and fruit are not permitted.
14. Nails, tacks, staples or double-faced carpet tape in niches, on tables, or on pedestals are not permitted.
15. The following are permitted unless prohibited by the schedule:
 - a. Accessories
 - b. Contrived flowers and/or forms made of fresh or dried plant material.
 - c. Cut fruit or vegetables sealed in some manner to discourage insects.
 - d. Objects that add interest when tastefully used, e.g. nests, feathers, coral, sponges, sea fans, starfish, antlers, etc.
 - e. Container-grown plants growing in soil as part of Pot-et-Fleurs or other appropriate classes.
 - f. Dried and/or treated dried plant material.
16. Plant material must not touch the back, sides or floor of the niche or extend beyond the opening unless specified in the schedule.
17. Drapery and background material are considered accessories.
18. A card of intent, briefly stated, must be used when indicated in the schedule. See glossary in *GCV Flower Shows Handbook, Revised*.
19. The following are references which you may find helpful:
 - Garden Club of Virginia Flower Shows Handbook, Revised*
 - Creative Flower Arranging* by Betty Belcher
 - The Complete Flower Arranger* by Amalie Adler Ascher
 - Styles of Flower Arranging, Contemporary Designs* by The Elizabeth River Garden Club

Procedure for Exhibitor in the Artistic Division

1. Exhibitors should check in at the Registration Desk upon arrival.
2. Registration for container return can be made at that time.
3. No arranging is permitted on the floor of the showroom.
4. When the exhibitor has completed his/her design, filled out an entry card, a 3x5 card listing the floral material used, noting whether it is "G" garden grown or "F" purchased from a florist and a card of intent if called for in the schedule, the exhibitor will notify a representative of the Passing Committee that the exhibit is ready to be passed.
5. The Passers will examine the arrangement to confirm that it complies with the schedule and that the plant list is accurate.
6. The exhibitor should remain in the exhibit area until the exhibit has been passed.
7. The exhibitor may not alter the exhibit after it has been passed, except for watering and the necessary maintenance.
8. Exhibitors are encouraged to show caution as they place their arrangements, or when viewing the show. As a courtesy to other exhibitors, please stay a safe distance from neighboring arrangements.
9. **Exhibitors' name and address must appear in the two specified places on the entry cards.** Mailing labels are appreciated.
