AWARDS

1. Prizes will be awarded at 2:30 pm on Wednesday, April 1, 2009, by Cabell West, President of The Garden Club of Virginia.
2. Entries, awards and ribbons may not be removed before Thursday, April 2, at 1 pm.
3. Trophies will be awarded only to Blue Ribbon winners except where noted.
4. The Sweepstakes goes to the exhibitor winning the greatest number of the Blue Ribbons. The Garden Club Sweepstakes goes to a Garden Club of Virginia member. Blue Ribbons are totaled, with Reds and possibly Yellows in case of ties.
5. Award winners who are unable to attend the awards ceremony are requested to provide a substitute to receive their awards. **No trophies will be mailed.**

AMERICAN DAFFODIL SOCIETY AWARDS

Gold Ribbon: Best standard daffodil in Horticulture Division excluding Historic section.

White Ribbon: Best vase of three stems of one standard cultivar excluding Historic section (Section A, Classes 1 and 2; Section E; Section K, Class 196)

Rose Ribbon: Best standard seedling exhibited by its originator.

Purple Ribbon: Best collection of five different standard daffodils (Section A, Classes 5 and 11; Section B, Classes 12-15; Section F; and Section K, Class 197).

Red-White-Blue Ribbon: Best collection of five different standard cultivars, one stem each, of American breeding (Section B, Class 17).

Historic Daffodil Ribbon: Best pre-1940 cultivar in Historic Section (Section J, Classes 191-194). There are three Historic ribbons – best single, best of three and best collection of five.

Intermediate Ribbon: Best Intermediate-size cultivar selected from the Intermediate Section of the show, or from standard collections, or Youth or Small Growers Sections.

Small Growers' Ribbon: Best standard Daffodil (Section G, Classes 157-160).

The Youth Best Bloom Ribbon: Best Bloom in Youth Division (Section L).

Maroon Ribbon: Best collection of five different standard cultivars, one stem each, reverse bicolor, any division or divisions (Section B, Class 16).

Marie Bozievich Ribbon: Best collection of 12 different cultivars or species, one stem each from at least four RHS divisions (Section B, Class 18).

Throckmorton Ribbon: Best collection of 15 standard cultivars or species, one stem each, from 15 different RHS classifications, each labeled with name, division and color code (Section B, Class 19).

Quinn Award: Silver Medal or Ribbon for a collection of 24 labeled cultivars or species, one stem each, representing at least five divisions. Open only to ADS members. This medal may be won only once in all

ADS shows by an exhibitor. A former winner may exhibit in this class, but may receive only the Quinn Ribbon. (Section B, Class 20).

Miniature Gold Ribbon: Best miniature daffodil in Horticulture Division (Sections H and I).

Miniature White Ribbon: Best vase of three stems of same miniature daffodils (Section H, Classes 174-186).

Miniature Rose Ribbon: Best miniature seedling exhibited by its originator.

Lavender Ribbon: Best collection of five different miniature daffodils, excluding entries for the Miniature Red-White-Blue Ribbon (Section I, Class 187).

Miniature Red-White-Blue Ribbon: Best collection of five different miniature cultivars, one stem each of American breeding (Section I, Class 188).

Roberta C. Watrous Award: Silver Medal or Ribbon for a collection of 12 different cultivars and/or species of miniature daffodils from at least three divisions. This medal may be won only once by any exhibitor in all ADS shows where offered. A former winner may exhibit in this class but may receive only the Watrous Ribbon. Open only to ADS members (Section I, Class 189).

ADS Miniature Aqua Ribbon: Best collection of nine miniature cultivars and/or species, one stem each, from at least three different RHS divisions (Section I, Class 190).

Silver Ribbon: Awarded to the exhibitor winning the most first place (blue) ribbons in the Horticulture Division.

given by Kay Cardwell
Blue Ribbon: Class 224

GLOSSARY OF TERMS

ADS – American Daffodil Society, www.daffodilusa.org

Card of Intent – States the arranger's inspiration and personal expression of the class schedule.

Challenge Class – A class in flower shows where the flower show committee supplies all components. These items should be as identical as possible for each exhibitor.

Color Code - The codes that relate to the color found in the perianth and corona.

Corona - Cup or trumpet, the center portion of the flower which varies in length and shape.

Cultivar - A named daffodil, tested for seven or more years.

Disqualify - To remove an entry from consideration because of nonconformance to schedule requirements (Duty of the Passing Committee).

Dried Plant Material - Plant material from which all moisture has been removed.

GCA - Garden Club of America, www.gcamerica.org

GCV - Garden Club of Virginia, www.gcvirginia.org

Miniature - The same as a standard, only with smaller blooms, usually less than 1" in diameter.

Niche - A recessed space enclosed on three sides with the size governed and stated in the Schedule.

Novice - One who has never won a blue ribbon in a GCV flower show.

Perianth - The circle or wheel of petals and sepals surrounding the central corona.

Seedling - An unnamed daffodil in the process of being tested.

Standard - A full-size daffodil.

RULES FOR JUDGING

1. All judges shall follow the rules and terms for judging as set forth in The Garden Club of Virginia Flower Shows Handbook (Revised 2001) and The American Daffodil Society's Handbook for Growing, Exhibiting, and Judging Daffodils 2007 edition.
2. The Show Committee reserves the right to subdivide classes by cultivar or color code when there are three or more worthy exhibits of the same cultivar or color code and if there are a sufficient number of worthy exhibits left in the class. Species may be subdivided by their botanical sections.
3. The decisions of the judges are final. If an error is discovered in an exhibit after completion of judging, any award placed thereon (ADS, Special Award or Ribbons) shall be forfeited by the exhibitor. If an error is discovered before the judging is completed, the class MUST be rejudged.
4. Horticulture judges and student horticulture judges may not exhibit in a class where they are assigned to judge. Artistic judges and student artistic judges may exhibit in horticulture classes, but may not enter in artistic classes.
5. In Horticulture only one first, one second and one third award may be given in each class. Honorable Mention awards may also be given if merited but only if first, second and third-place ribbons have been awarded.
6. First, second, third or honorable mention awards may be withheld if, in their opinion, the judges feel that the exhibit is not worthy. However, if a blue ribbon has been awarded in a class eligible for an ADS ribbon, the ribbon may not be withheld.
7. The Best Bloom and Best Artistic Arrangement are chosen only from Blue Ribbon Winners, with the exception of an outstanding horticulture specimen exhibited in a non-blue ribbon, multi-stem class.
8. When selecting the Best Bloom, all horticultural judges must be present. When selecting Best Artistic Arrangement, all artistic judges must be present. Selection is made by ballot. In case of a tie, point scoring is required.
9. Judging begins on Wednesday, April 1, at 10:30 a.m.

RULES FOR HORTICULTURE EXHIBITORS

1. All classes are open to all daffodil growers except where specified.
2. Entries may be made from 3-9 p.m., Tuesday, March 31, 2009, and from 7-10 a.m. on Wednesday, April 1, 2009. All entries must remain in place until Thursday, April 2, 2009, at 1:00 p.m.
3. Judging will begin at 10:30 a.m. on Wednesday, April 1st, at which time the show area will be cleared of all persons except show officials, judges and clerks until the show opens to the public. No exhibits accepted after 10:00 a.m.
4. Horticulture judges may not enter any class that they have been assigned to judge.
5. Exhibitors are asked to register upon arrival at the Show. All entry tags and labels will be provided.
6. Information on an entry tag, including the exhibitor's number, which could compromise anonymity, must be concealed. Name labels or rubber stamp encouraged.
7. The exhibitor must have grown all standard blooms in the open. Miniatures may have been grown in protected areas.
8. There may be only one exhibit in each class from any one exhibitor except in Sections C, G, H, J, K and L and Division 11.
9. All cut daffodil specimens will be shown without daffodil foliage. Boxwood will be provided for staging blooms. All collections of five or more stems must be exhibited in separate containers. Containers will be provided for all horticultural entries and will be clearly marked in the staging area.
10. The Garden Club of Virginia Club Collections must be entered in the name of the club.
11. Each stem in an exhibit receiving an ADS Award must score 90 or more by the ADS scale of points.
12. Only one first, one second and one third award will be given in each class. Honorable mention awards may also be given, but only if all higher awards are given. If a blue ribbon has been awarded in a class eligible for an ADS ribbon, the ADS award may not be withheld.
13. First, second, third and honorable mention awards may be withheld by the judges if, in their opinion, the exhibit is not worthy.
14. The decision of the judges is final. If an error is discovered in an exhibit after completion of judging, any award placed thereon (ADS, Special or Ribbon) shall be forfeited by the exhibitor. If an error is discovered BEFORE the judging is completed, the class MUST be rejudged.

For questions concerning the horticulture schedule call: Mary Hoerneman at 804-462-5146 or e-mail mary@mightymary.net

LABELING

15. Exhibitors are responsible for proper name or number, division and color code where required. Color coding is recommended, but is not required, except in Section A, Class 3 and 4 and Section B, Class 19. The Royal Horticulture Society System of classification will be used. The authority is the Daffodils to Show and Grow (latest printing) and the ADS Daffodil Data Bank, which will be available for reference. Entries that are incorrectly named will not be judged.
16. The originator's name MUST appear on the label for each stem in the American-bred classes, except for seedlings shown by the originator.
17. No label may be changed except by the Show Chairman or Classification Chairman in the case of placement error. No bloom may be altered, added, substituted or removed after the judging has begun or after an award has been placed.

MINIATURES

18. Miniature daffodils may be shown only in classes for miniatures. A miniature daffodil is any cultivar or species on the current ADS Approved List of Miniatures. Also, any named or numbered daffodil which appears graceful, with all its parts proportionately small, may be exhibited in Miniature classes and is eligible for all ADS awards, except only numbered seedlings shown by the originator are eligible for the ADS Miniature Rose Ribbon. The judges may decline to judge any exhibit containing an unapproved miniature that they consider too large for these classes.

SEEDLINGS

19. Blooms of seedlings may be exhibited in all classes for named cultivars, provided they are identified by a number and classification assigned by the originator. If an exhibitor is not the originator, the originator's name must be included on each label. The originator of a daffodil is the person who first flowers the bulb, regardless of who made the cross and/or first planted the seed. Only seedlings shown by the originator are eligible for the Rose or the Miniature Rose Ribbons.

MISCELLANEOUS

20. The Show Committee reserves the right to subdivide classes by cultivar or color code when there are three or more worthy exhibits of the same cultivar or color code and if at least three worthy exhibits are left in the class. Species may be subdivided by their botanical sections.

HORTICULTURE SCHEDULE OF CLASSES

Section A "Garden Club of Virginia"

Open only to The Garden Club of Virginia members. Advance registration, if possible, for all classes.

Classes 1 and 2, exhibited in large green vases; Classes 4, 7, 8, 9, and 10 exhibited in block with single tube; Classes 5, 6 and 11 exhibited in blocks of five large test tubes.

Class 1 The Eleanor Truax Harris Challenge Cup.

Twenty-four blooms, eight varieties, three stems each, from at least four divisions of daffodils. Exhibitor cannot win in two consecutive years.

Class 2 The Mary McDermott Beirne Challenge Bowl.

Four all white varieties, three stems each, from at least two of the first seven divisions. Exhibitor cannot win in two consecutive years.

Class 3 The Daffodil Chairman's Cup.

For daffodil chairmen of the GCV, exhibited in the names of their respective clubs. Twelve varieties, one stem each from 1998 through 2007 club collections from at least four years' collections. Each variety named, dated and color-coded. Exhibited in club's name. Exhibited in four – three hole planks.

Class 4 The Edith Hardison Walker Award.

Ten varieties, one stem each, from any collection, previous and/or current. Name the variety, hybridizer, color code, and date of collection.

Class 5 The Katherine Leadbeater Bloomer Award.

Five different varieties from five different divisions.

Class 6 The Louise Morris Goodwin Bowl.

For individual members of the GCV. Five varieties of American-bred daffodils. One stem each. Name of the originator must be on the label of each stem.

Class 7 The Jennette H. Rustin Trophy.

Daffodil parent and one child. Two cultivars, one being the parent (seed or pollen) of the other. May be won only one time by an exhibitor.

Class 8 Award Honoring The Hostess Club.

A single stem from any division, exhibited by a member of The Garden Club of the Northern Neck.

Class 9 Worshipful Company of Gardeners of London Cup, Novice Class.

Three varieties, one stem each, from Divisions 1-7.

Class 10 The Patricia Mann Crenshaw Award, Novice Class.

A class for those who have never won a blue ribbon in a show approved by The American Daffodil Society. A single specimen from any division. Only one entry per exhibitor.

Class 11 The William G. Pannill Award.

Five standard cultivars, one stem each, from at least three of the first seven divisions. Cultivars must have been bred by Mr. Pannill. Exhibitors cannot win in two consecutive years.

Section B “Trophy Collections”

Classes 12-17 to be exhibited in blocks of five large test tubes. Advance registration, if possible, for all classes.

Class 12 A collection of five cultivars, one stem each, from Division 2 or 3 and having cups predominantly red or orange.

Class 13 Five varieties, one stem each, with pink coloring in cup, from any division.

Class 14 Five varieties, one stem each, of white daffodils, from any division.

Class 15 Five varieties, one stem each, from at least four divisions, all yellow daffodils (Y-Y).

Class 16 ADS Maroon Ribbon. Five varieties, one stem each, of reverse bicolor daffodils.

Class 17 ADS Red-White-Blue Ribbon. Five varieties, one stem each, of American-bred daffodils. Name of originator **MUST** be on each stem.

Class 18 ADS Marie Bozievich Ribbon. Twelve cultivars, one stem each, from at least four RHS divisions. Exhibited in two 22” planks, six test tubes each.

Class 19 ADS Throckmorton Ribbon. Fifteen cultivars, one stem each, with 15 different combinations of division and color code. Color code is required on labels for each stem. Exhibited in three blocks of five large tubes.

Class 20 ADS Carey E. Quinn Award. (Silver Medal or Ribbon). Twenty-four standard cultivars and/or species, one stem each, from at least five RHS divisions. This class is open to ADS members only. In three 33” blocks, eight test tubes each. The silver medal may be won only once. A former winner may enter, but may receive only the Silver Quinn Ribbon.

Section C “Seedlings”

Seedlings, single specimens grown and exhibited by the originator only, with designated number, classification and parentage, if known. Exhibitors may make up to three entries in each class for single stems and vases of three, provided each is a different cultivar or species.

Class 21 One stem of a standard seedling. Exhibited in single block/tube.

Class 22 Three stems of the same standard seedling. Exhibited in large green vases.

Standard Daffodils

Section D

Single stems: Exhibited in single block and tube.

Section E

Vase of three stems of one variety: Exhibited in large green vases.

Section F

Five different varieties, one stem each: Exhibited in blocks of five large test tubes.

Predominant: means color in at least TWO (2) adjacent cup zones.

Colored: means any color other than white.

Reverse Bicolor: has a predominantly yellow perianth and a predominantly white cup in AT LEAST TWO adjacent cup zones.

	D	E	F
Division 1—Trumpet Daffodil			145
Colored perianth, yellow trumpet	23	84	
Colored perianth, red or orange trumpet	24	85	
Colored perianth, pink in trumpet	25	86

White perianth, eye green	75	136	
White perianth, eye any other color	76	137	
Division 10—Bulbocodium Daffodil	77	138	
Division 11—Split-Corona Daffodil Cultivars			154
<i>EXCEPTION: Up to three entries may be made in each class of singles and vase of three, provided each is a different cultivar or species.</i>			
Collar daffodil, colored perianth, one bloom to stem	78	139	
Collar daffodil, white perianth, one bloom to stem	79	140	
Papillon daffodil, any color, one bloom to stem	80	141	
Any color, two or more blooms to stem	81	142	
Division 12—Miscellaneous Daffodils	82	143	155
Division 13—Species, Wild Variants & Wild Hybrids	83	144	156

Section G - Small Growers

Limited to exhibitors who grow fewer than 50 named cultivars or species. Exhibitors may make up to 3 entries in each class for single stems and vases of 3, provided each is a different cultivar or species. Single stems exhibited in test tube in single block, three stems, one variety exhibited in large green vases.

S denotes Standard; M denotes Miniature.

Class 157 S / 157 M One stem from Division 1, 2, 3, 4, 10, or 11.

Class 158 S / 158 M Three stems from Division 1, 2, 3, 4, 10, or 11.

Class 159 S / 159 M One stem from Division 5, 6, 7, 8, 9, or 13.

Class 160 S / 160 M Three stems from Division 5, 6, 7, 8, 9, or 13.

Section H - Miniature Daffodils

Exhibitors may make up to three entries in each class for single stems and vases of three, provided each is a different cultivar or species. Single stems exhibited in small green vases; three stems, one variety, exhibited in small green vases.

	Single Stem	Three Stems
Division 1	161	174
Division 2	162	175
Division 3	163	176
Division 4	164	177
Division 5	165	178
Division 6	166	179
Division 7	167	180
Division 8	168	181
Division 9	169	182
Division 10	170	183
Division 11	171	184
Division 12	172	185
Division 13	173	186

Section I - Miniature Daffodils Collections

Class 187 ADS Lavender Ribbon. Five cultivars, seedlings or species, one stem each. Exhibited in block of five small test tubes.

Class 188 ADS Miniature Red-White-Blue Ribbon. Five cultivars or seedlings of American breeding, one stem each. Name of originator must be labeled on each stem except seedlings shown by the originator. Exhibited in block of five small test tubes.

Class 189 Roberta C. Watrous Award. Twelve cultivars and/or species of miniature daffodils from at least three RHS divisions. This class is open to ADS members only. First-time winners may receive the Silver Watrous Medal. Former winners receive the Silver Watrous Ribbon. Exhibited in block of 12 small test tubes.

Class 190 ADS Miniature Aqua Ribbon. Best collection of nine miniature cultivars and/or species, one stem each, from at least three different RHS divisions. Exhibited in plank of nine small tubes.

Section J - Historic Daffodil

This section is open to all cultivars, i.e., not species, introduced or in gardens before 1940. All cultivars shall be labeled with name, division number and year of registration (or introduction) as listed in the ADS Data Bank or the supplements. Historic cultivars formerly on the Approved List of Miniature Cultivars, but now removed as too large, may be exhibited as miniatures in this section. No bloom in this section shall be eligible for any ADS Award other than the ADS ribbons for pre-1940 Cultivars.

Class 191 Single stem (may be subdivided) of standard cultivar, exhibited in single test tube.

Class 192 Single stem of miniature cultivar, exhibited in small green vase.

Class 193 Three stems, one variety, exhibited in large green vases.

Class 194 Collection of five different standard cultivars, exhibited in block of five large test tubes.

Section K - Intermediate Daffodils

An Intermediate Daffodil is defined as a single floret cultivar, typically greater than 50mm and through 80 mm in diameter (1 15/16 – 3 1/8 inches), from RHS Divisions 1, 2, 3, 4 and 11. Exhibitors may have up to three entries, of three different cultivars, in the single class and in the vase of three classes. Each individual stem in this section is eligible for the ADS Intermediate Ribbon. Single stems exhibited in glass tube; three stems exhibited in large green vase.

	Single Stem	Three Stem
Division 1	195	200
Division 2	196	201
Division 3	197	202
Division 4	198	203
Division 11	199	204

Class 205 Collection of five varieties, one stem each, exhibited in blocks of five large test tubes. This class is eligible for the ADS Purple Ribbon.

Section L - Youth Division

Open to exhibitors 18 or younger. Participants are not restricted to this section. They may enter other sections for which they qualify. Exhibitors may enter up to three different single stem entries in each class.

Class 206 Division 1, Trumpet cultivars

Class 207 Division 2, Large-cupped cultivars

Class 208 Division 3, Small-cupped cultivars

Class 209 Division 4, Double cultivars

Class 210 Division 5, Triandrus cultivars

Class 211 Division 6, Cyclamineus

Class 212 Division 7, Jonquilla & Apodanthus cultivars

Class 213 Division 8, Tazetta cultivars

Class 214 Division 9, Poeticus cultivars

Class 215 Division 11, Split-corona cultivars

Class 216 Division 10,12,13, Bulbocodium, Miscellaneous, and daffodils distinguished solely by Botanical Name.

Class 217 Miniature, any division, one stem

Section M – Daffodil Recognition Awards

Class 218 – The Gale and Lockwood Frizzell Award (Donated by The Charlottesville Garden Club) Best Collection of 3 different varieties of IRISH Blooms from Divisions 1 thru 4. Exhibited in a single test tube.

ADS Point Scale for Judging Cut Specimens

	Cultivar	Species	Historic
Condition	20	50	40
Form	25	15	15
Substance and Texture	15	10 (substance) 5	
		5 (texture) 5	
Color	15	10	15
Pose	15	5	5
Stem		5	5
Size	10	0	10
TOTAL	100	100	100

For miniature daffodils, both cut specimens and container-grown the judges will substitute Form and Grace for Form. In exhibits of 3 of a kind, the judges may deduct up to 5 points for lack of uniformity

DAFFODIL CLASSIFICATIONS

Division 1 TRUMPET One flower to a stem, trumpet as long or longer than perianth segments.

Division 2 LARGE CUPPED One flower to a stem, cup more than one-third, but less than the length of the perianth segments.

Division 3 SMALL CUPPED One flower to a stem, cup not more than one-third the length of the perianth segments.

Division 4 DOUBLE Usually one flower to a stem, with doubling of the perianth segments or the corona, or both.

Division 5 TRIANDRUS DAFFODILS Characteristics of *Narcissus triandrus* clearly evident. Usually two or more drooping flowers to a stem, perianth often reflexed.

Division 6 CYCLAMINEUS Characteristics of *Narcissus cyclamineus* clearly evident. One flower to a stem, perianth reflexed and corona straight and narrow. Flower usually at an acute angle to the stem on a short neck.

Division 7 JONQUILLA AND APODANTHUS Characteristics of *Narcissus jonquilla* group clearly evident. Usually one to three fragrant flowers to a stem, perianth segments spreading, not reflexed.

Division 8 TAZETTA Characteristics of the *Narcissus tazetta* group clearly evident. Usually three or many fragrant, very short-cupped flowers to a stout stem, perianth segments spreading, not reflexed.

Division 9 POETICUS Characteristics of the *Narcissus poeticus* group clearly evident. Usually one fragrant flower to a stem, pure white perianth, small flat cup edged with red.

Division 10 BULBOCODIUM Characteristics of Section *Bulbocodium* clearly evident; usually one flower to a stem; perianth segments insignificant compared with the dominant corona; anthers dorsifixed (i.e. attached more or less centrally to the filament); filament and style usually curved.

Division 11 SPLIT CORONA Usually one flower to a stem, corona split (not lobed) for at least one-third and usually half of its length.

Division 12 MISCELLANEOUS All hybrid daffodils not falling into any of the foregoing divisions.

Division 13 SPECIES WILD VARIANTS, AND WILD HYBRIDS Any species, one bloom per stem. Any species more than one or more blooms to a stem.

ENTERING THE ARTISTIC SHOW

Artistic Design General Rules

1. The Schedule is known as "The Law of the Show."
2. One person, except in the Inter Club Class that is entered in the name of the club, must execute each entry.
3. An exhibitor may enter as many classes as desired, but is restricted to one entry in each class.
4. The Passing Committee must pass all arrangements before the exhibitor leaves the show floor. The Committee may disqualify arrangements that do not meet the schedule requirements.
5. All designs will be judged according to The Garden Club of Virginia Flower Shows Handbook.
6. All designs must include fresh plant material.
7. All designs may include a base that is considered part of the container.
8. The use of commercially grown flowers is discouraged. If used, only seasonal flowers should be chosen.
9. Treating fresh plant material by application of substances, such as paints, dyes, etc., is not permitted. Plants may be clipped, stripped, bent or otherwise manipulated.
10. Plants on the Endangered Species list may be used only if grown in exhibitor's garden.
11. All containers and accessories must be plainly marked with exhibitor's name and address. Instructions for shipping should be made and a fee paid if the container is not to be claimed at the end of the show.
12. A 3 x 5 card listing all plant material, followed by "G" for garden grown and "F" for florist, must accompany each design.
13. Artificial flowers, foliage and fruit are not permitted.
14. The following are permitted unless prohibited by the schedule:
 - a. Accessories
 - b. Contrived flowers and/or forms made of fresh or dried plant material
 - c. Cut fruit or vegetables sealed in some manner to discourage insects
 - d. Objects that add interest when tastefully used, e.g., nests, feathers, coral, sponges, sea fans, starfish, antlers, etc.
 - e. Container-grown plants growing in soil as part of Pot-et-Fleurs or other appropriate classes.
 - f. Dried and/or treated dried plant material.
15. Plant material must not touch the back, sides or floor of the niche or extend beyond the opening unless specified in the schedule.
16. A base may not be used to extend the dimensions of the area unless specified by the schedule.
17. Drapery and background material are considered accessories.
18. Artistic judges may not enter any artistic class, but may enter any horticulture class.
19. GCV trophy winners may keep the trophy for one year.

PROCEDURE FOR THE EXHIBITOR IN THE ARTISTIC DIVISION

1. When an exhibitor has completed her design and filled out the entry card, including the floral material used and noted whether it is "Garden" or "Florist," she will inform a Passer that her arrangement is ready to be passed.
2. The Passers will examine the arrangement to verify that it complies with the schedule and that the plant list is accurate.
3. The exhibitor may not leave the exhibit area until her entry has been passed.
4. The exhibitor may not alter her arrangement after it is passed, except for watering and necessary maintenance, i.e. clipping out dead plant material.

5. Children's Class is open to exhibitors 18 or younger. Participants are not restricted to this section. They may enter other sections for which they qualify.

ARTISTIC SCHEDULE OF CLASSES

Daffodils must predominate in all arrangements.

Celebrate the Northern Neck

The narrow strip of land known as the Northern Neck is made up of four counties including Richmond, Westmoreland, Northumberland, and Lancaster, and nestled between the Potomac and the Rappahannock Rivers and the Chesapeake Bay. Home to presidents and patriots, the Northern Neck continues to maintain much of its serene and quiet beauty, and--it also rocks—every season of the year!

All entries will be judged referencing the section "Entering the Artistic Show" in The Garden Club of Virginia's *Flower Shows Handbook, Revised 2004* (FSH). The Elizabeth River Garden Club's "The Styles of Flower Arranging": "A Primer" (ERGC-P) and "Contemporary Designs" (ERGC-CD) is also a reference for this schedule. A brief card of intent is optional. Workrooms will be available for artistic arranging.

For questions concerning the artistic schedule, contact Dana Smith at (804) 438-6559 or email dysmith@kaballero.com or Sue Ramsey at (804) 394-9784 or email sramsey22548@yahoo.com.

Inter Club Classes

This class is open only to Garden Club of Virginia member Clubs and exhibited in the name of the Club. All Inter Club arrangements will be displayed on gray pedestals 42 inches high with 12 inch square tops and will be viewed against a dark green background 76 inches high. There are no height restrictions, and arrangements are not to exceed 24 inches in width.

Class 219A

Let's do Garden Week! Garden Week in the Northern Neck will take place this year in the historic fishing village of Reedville, in Northumberland County, and will showcase a number of homes in Reedville's Historic District. Garden Week in Virginia invites the public to view lovely homes and breathtaking gardens, and funds raised are used to restore, and maintain historic gardens throughout the Commonwealth of

24 Virginia.

Create an Early 20th Century line design (FSH) suitable for a ship captain's home.

Class 219B

After Jesse Ball, a native of Northumberland County, married Alfred I. DuPont, they purchased Ditchley (c. 1752) where they frequently entertained friends and neighbors.

Create a Late Georgian arrangement (FSH) for an engagement party at Ditchley Plantation.

Class 219C

Dirt has always been important in the Northern Neck. Forestry and farming are mainstays of the Northern Neck's economy, and the Farm Museum, recently opened in Northumberland County, celebrates the history of the family farming lifestyle which still flourishes in the area.

Create a parallel arrangement (FSH) representative of the farming heritage in the Northern Neck.

Class 219D

The oysters are returning. Preserving our Chesapeake Bay oysters for their food value and equally important function of filtering and cleaning millions of gallons of water each day has been the goal of state, local and private oyster restoration programs working to bring the oysters back to our local waters.

Create an underwater arrangement (FSH) evocative of the Northern Neck waterways.

Individual Artistic Classes

Note: All tables are 28.5 inches from the floor, 30 inches deep, covered with a white cloth, and placed in front of a neutral background. Arrangements will be separated by a yellow ribbon on the display tables.

25

Open Classes

Limited to six entries per class

Class 220

Spring is such a welcome sight in the Northern Neck. The emergence of tree buds, the first green tips of crocus and daffodils, and tender green color appearing in our native grasses all serve to lift our winter-weary spirits with these new signs of life.

Create a miniature arrangement (FSH) depicting these new signs of life, to be displayed in an 8 inch by 8 inch shadow box, and viewed at eye level. Limited to six entries.

Class 221

May Day festivities were popular occasions in schoolhouses around the Northern Neck during the late 19th and early 20th centuries.

Create a Tussie Mussie (FSH) for a special friend for a May Day celebration. A vase for display will be provided. Limited to six entries.

Class 222

Westmoreland State Park in Westmoreland County is situated along the Potomac River and has facilities for fishing, camping, swimming, hiking, and kayaking. The Park is also a hugely popular setting for family picnics and reunions.

Create a segment table setting (FSH, ERGC-P) for a family reunion. Table settings will be displayed in a 24 inch space divided by yellow ribbons.

Class 223

Novice: Limited to six entries, and open to GCV members who have never won a blue ribbon in a GCV show.

“Just Gardens” is an annual garden tour which takes place in one of the counties of the Northern Neck, and it will be celebrating its 9th anniversary in 2009. The tour raises funds for The Haven Shelter and Services, Inc. a crisis shelter for women and children, located in Richmond County.

Create a botanical (naturalistic) design (ERGC-CD) suggestive of a Northern Neck garden, to fit in a space

24 inches wide, and viewed on a table covered with a white cloth separated by yellow ribbons.

Class 224

Challenge Class

The majestic ospreys arrive like clockwork every March to nest and raise their young. By September they and their fledglings fly south for the winter, and we anxiously await their return the following year.

Create a Phoenix design arrangement (ERGC-CD) representative of the marsh areas of the Rappahannock and Potomac Rivers and Chesapeake Bay. All materials will be provided, and arrangers will have one hour to complete their design beginning at 8:30 a.m. on Wednesday in a designated workroom. Arrangements will be displayed in a 24 inch space. This class is limited to six entries.

While in the Northern Neck,

please visit these GCV restorations:

Historic Christ Church, Irvington
Stratford Hall, The Robert E. Lee Memorial
Association, Stratford

Accommodations

A block of rooms has been reserved at the Holiday Inn Express in Kilmarnock for the nights of April 1st and 2nd, 2009, at the rate of \$89.00 per night single or double occupancy, which includes a continental breakfast.

Please make your reservations on or before March 10, 2008, use the block code "DDS" to receive the group discount. The Holiday Inn Express in Kilmarnock is located on Route 3; the address is 599 N. Main Street, Kilmarnock, VA 22482. On-site reservations: 804-436-1500; Central Reservations: 1-888-465-4329.
www.hiexpress.com

Directions

White Stone Church of the Nazarene, 57 Whisk Drive, Kilmarnock, VA 22578

From the North and North West: Find your best route to Warsaw, VA. From Warsaw follow Virginia Route 3 East to Kilmarnock and follow for 29.6 miles, continue through the town of Kilmarnock on VA Route 3 to Whisk Drive (3.2 miles from the heart of town), and turn left on to Whisk Drive.

From the South and South West: Follow US Route 17 to Saluda. Turn on to VA Route 33 East and follow for 6.8 miles. Turn left on to VA Route 3 West and follow for 8.7 miles (this will take you through the town of White Stone) and turn right on to Whisk Drive.

Parking is available at the church
