March of The Trumpets: Making Music with Daffodils

Class	Title	Description
1	Rhythm	A color photo of daffodils in a landscape.
2	Harmony	A color photo of a still life with inanimate objects, including a floral arrangement with daffodils as the main component, utilized as a harmonic accompaniment.
3	Crescendo	A color photo showing the boldness of a daffodil from an unconventional viewpoint or perspective. Creative techniques* are encouraged but not required.
4	Improvisation	A close up black & white photo of bulbs, roots or other aspect of the daffodil that does not include the opened flower.

*Creative techniques: The use of manipulation or alteration in any stage of the photographic process to achieve an effect significantly different from the original photograph. All representational images in a manipulated or creative technique photo must be the work of the photographer. Non-representational enhancements such as the addition of purchased textures are allowed.
