Relax by the lake as you explore the charming town of Bracey situated in Mecklenburg County. Bracey developed into a popular “lake” community after Lake Gaston was formed in 1963. Homeowners, dedicated to preserving the scenic views around the lake, have created gardens and landscapes that both visitors and locals enjoy engaging in water sports on the clear, peaceful waters. While, Bracey’s charm comes from its calm environment and the simple joys of lakeside life, it also values its rich history and agricultural roots. Away from the lake, the region is dotted with farms and rural homesteads, adding to its rustic appeal.

Tickets \$35 in advance and \$45 the day of the tour, per person; \$15 for children ages of 5 to 17; free for ages 5 under and accompanied by an adult. Tickets are sold online at GCVIRGINIA.ORG. On tour day, Maps and guidebooks are available at Tour Headquarters, Tanglewood Shores Golf and Country Club, 74 Tanglewood Drive, Bracey.
