YOU BELIEVE

Gardening is about more than beauty.

It's about conservation.

Celebrating nature and our land.

Creating spaces

for all to enjoy.

WE AGREE

ENVIRONMENTAL INITIATIVES  
Throughout the Tuesday and Thursday Tours, Garden Club of Virginia Conservation Committee Members will be on hand to answer questions and share insights about the benefits of native plantings, sustainable gardening practices, and how these choices contribute to a healthier ecosystem. Their presence offers visitors an opportunity to learn how native plants can be successfully incorporated into home gardens while preserving the natural character of our landscape.
